

THE NEED FOR POLICY COHERENCE
SUSTAINABLE DEVELOPMENT
& DRUG POLICY

JAVIER SAGREDO - ATHS 2017 - BIARRITZ (FRANCE)

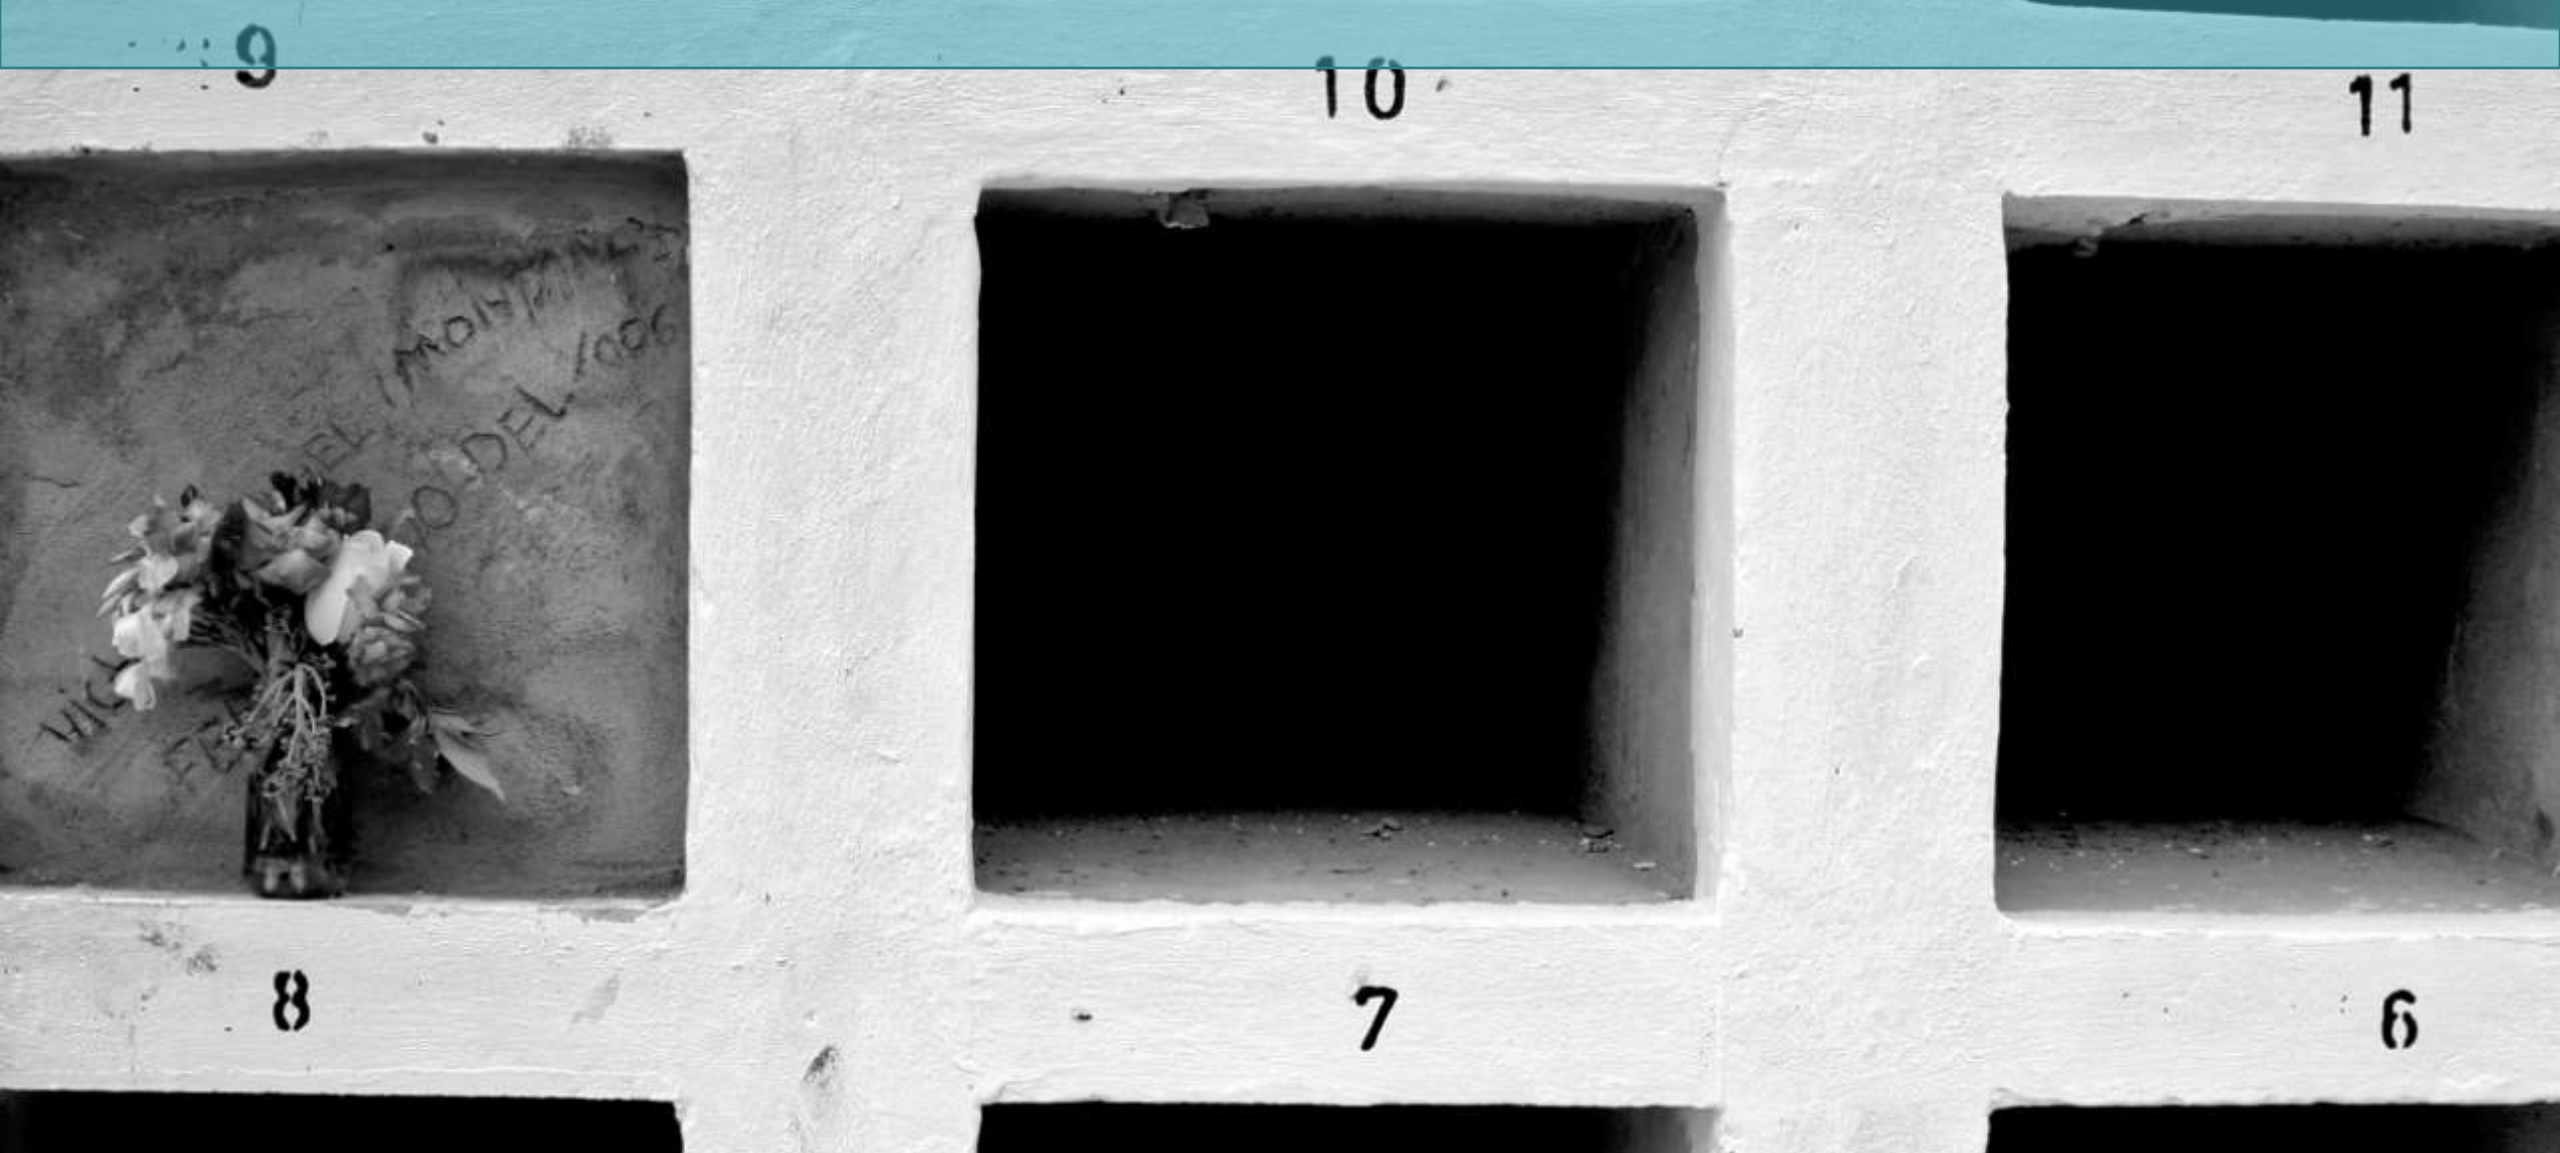

People at the center of policy

Public health approach is not enough

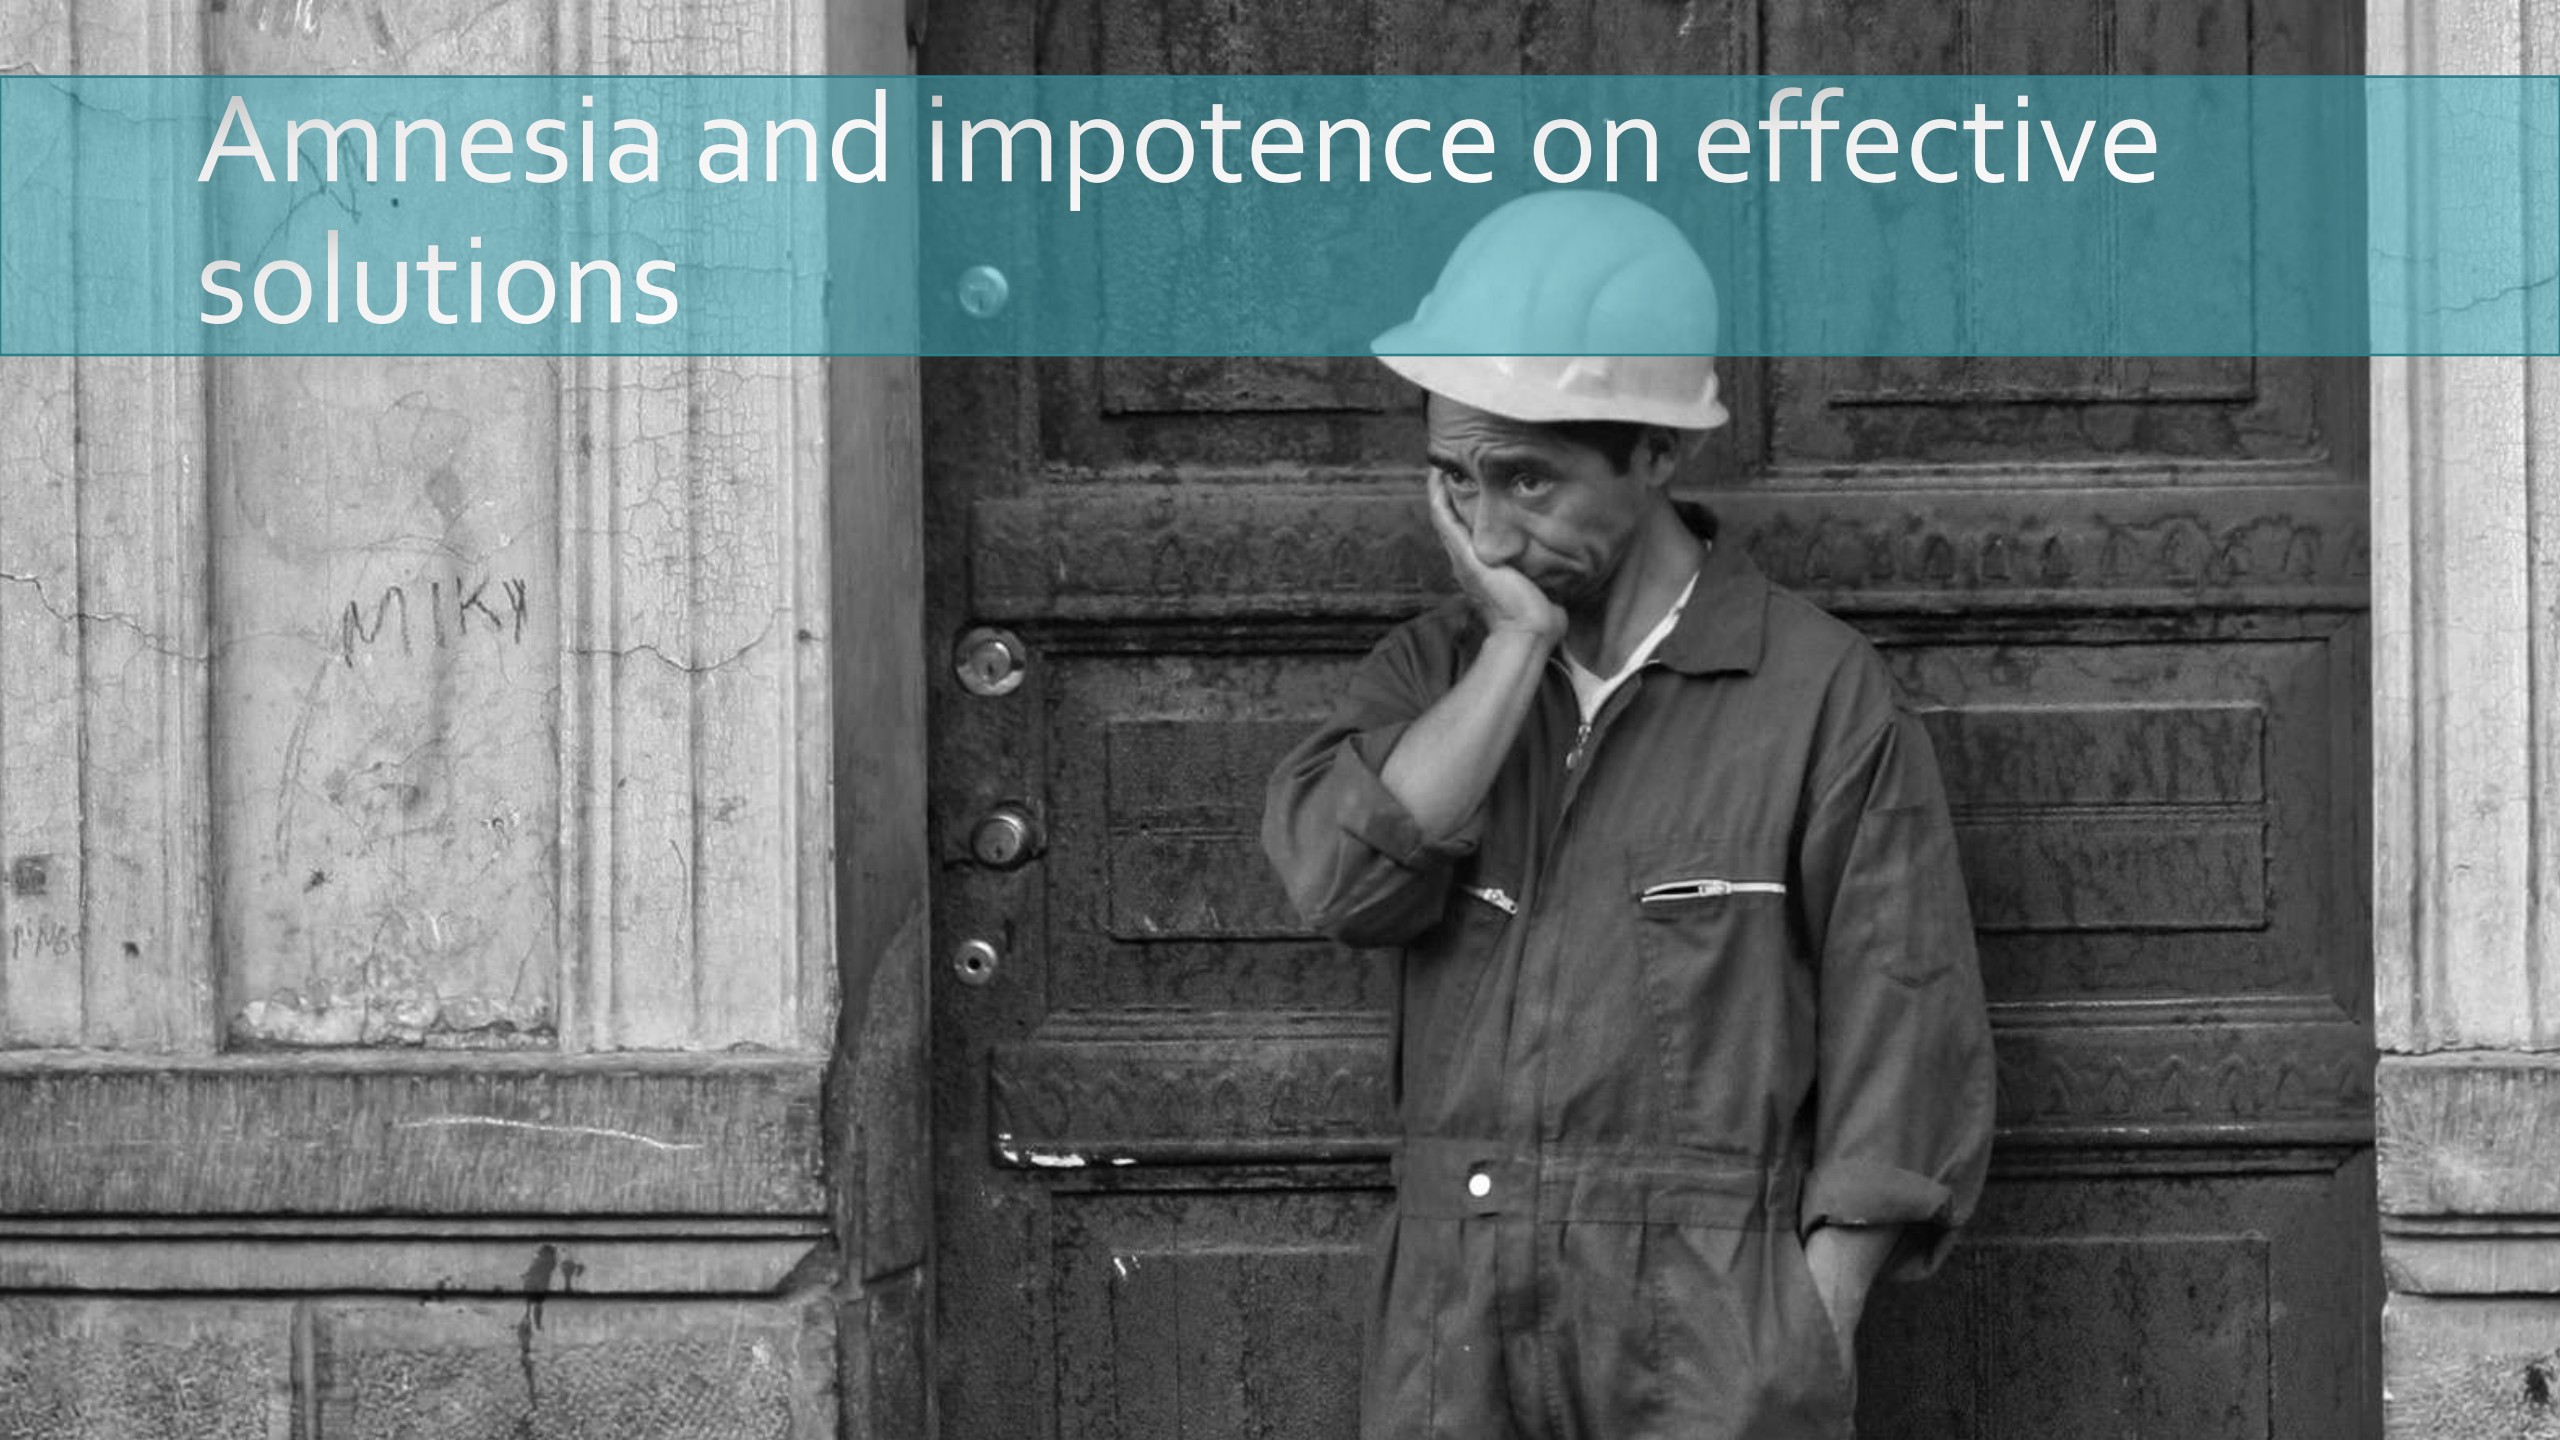

Bad health of public policies on drugs

Blindness on negative impacts

Amnesia and impotence on effective solutions

Bipolarity & lack of empathy

The transformational potential of the 2030 Agenda on Sustainable Development

Public policy coherence

Reducing the harms of drug control policy
