Wednesday October 9th 2013 ➤➤➤

09.00-01.00 am [simultaneously] Auditorium [translated] **Plenary Session :: Opiate addiction treatments : efficacy, safety and availability**

Co-chair : Icro MAREMMANI (Pisa) and Jean-Jacques DEGLON (Geneva)
Moderation : Marc AURIACOMBE (Bordeaux)

The opioid agonist maintenance treatment : state of the art :: Marta TORRENS (Barcelona)

Starting treatments with agonist replacement therapies (START Study) : a randomized trial comparing methadone and buprenorphine on liver health and other outcomes :: Andrew SAXON (Seattle)

Methadone induction in primary care for opioid dependence : a pragmatic trial (ANRS Methaville)

:: Patrizia CARRIERI (Marseille)

Acceptability and safety of the buprenorphine/naloxone combination in heroin addicts (RIME study)

:: Didier TOUZEAU (Paris), discutant : Marc AURIACOMBE (Bordeaux)

Expanding substance abuse treatment options for HIV prevention and care :: David METZGER (Bethesda)

Diversion, misuse and trafficking of methadone and buprenorphine (RADARS System) :: Richard DART (Denver)

Opioid antagonists treatments :: Charles O'BRIEN (Philadelphia)

01.00-02.30 pm Lunch *** Poster session

02.30-04.30 pm [simultaneously] Auditorium [translated] **Plenary Session :: Recent development about cannabis**

Chair : Amine BENYAMINA (Villejuif)

C3,17-NMPDs : a new therapeutic class to treat marijuana abuse :: Pier Vincenzo PIAZZA (Bordeaux)

New clinical data :: Alain DERVAUX (Paris)

Addictive behaviour in adolescents :: Olivier PHAN (Paris)

Marijuana, where do we stand? :: Amine BENYAMINA (Villejuif)

Rhune 1 **Workshop 1 / Pharmacists and addictions /// Moderation : Nicolas BONNET (Paris)**

From 94 to 93 : 10 years evolution of needle exchange programs in pharmacies of the Ile-de-France area

/// Lionel SAYAG (Montreuil)

A needle exchange program in pharmacies : experience of the Logos center (Nîmes) /// Michel LEMONNIER (Nîmes)

Early screening-brief intervention in pharmacies /// Bernard PENICAUD (Niort)

Stakes of the training of pharmacists students to early screening/brief intervention /// Judith ANDRE (Amiens)

Rhune 2 **Workshop 2 / Addictions, HIV and HCV in prisons**

Moderation : Fadi MEROUEH (Villeneuve-lès-Maguelone) and Saadia YAKOUB (Paris)

Harm reduction in prisons : Comprehensive Package /// Fabienne HARIGA (Vienna)

Opiate maintenance treatments and harm reduction in prisons : an overview /// Fadi MEROUEH (Montpellier)

Needle exchange program : the Switzerland example /// Anne FRANCOIS (Geneva)

Prevalence of viral infections in drug users in Algeria /// Mohamed Salah LAIDLI (Alger)

«The therapeutic education of patients with HCV» /// Henri MARTEAU (Villeneuve-lès-Maguelone)

Vagues
1+2

Workshop 3 / Designer drugs / Moderation : Marie DEBRUS (Paris)

New synthetic drugs: users, risks and harm reduction /// Grégory PFAU (Paris)

Harm reduction to the test of new synthetic drugs /// Vincent BENSO (Paris)

04.30-05.00 pm Break))
